- Read our coaching profiles
- We update our academy News Page and Timeline regularly
- View the power-point for more information

**Try-outs: June 1, 2, 3**

- We will attempt to accommodate all players, but this may be unrealistic. We must base numbers on qualified staff, field space, technical level of players, and the number of players in attendance.
- We will post players by tryout # on Friday (tentative): [www.daculasoccer.com](http://www.daculasoccer.com)
- Players will be grouped by level for most games. Teams will not be decided until after camp and into the first few weeks of practice. Please do not be overly concerned with which "team" your child is on. The Academy is more of a "player pool" for future select teams.

**Camp: July 26 - 30 (5pm-8pm) This is included in your academy fees**

- Camp is not mandatory. However, it is included in your academy fees and it gives the coaches a chance to access the players for five consecutive nights. It also begins the development of "team chemistry" and friendships among the players.

**Tournaments: Fees for tournaments are evenly shared by all members of a team/age group. All players will pay the tournament fee even if they do not attend.**

- U10: Maximum of four per year
- U11: Maximum of four per year
- U12: No restrictions....Academy Director Approval

**Price: \$1140.00 for the entire year/ \$570.00 a season**

- Includes: Registration, Training, Camp fee, Training Shirts, and Administration Fees
- Tournaments are not included

- 3 jerseys (2 short sleeve, 1 long sleeve), 1 pair of shorts, 2 pairs of socks, and 1 bag. A warm up can be purchased separately for \$80.00

## 2010-2011 PAYMENT PROCEDURES

Dacula Soccer club recognizes that the tough economic times with our economy are hitting home at our soccer club. Our goal as a club is to have every child who wants to play in the select and academy program play the sport that they love.

- 1) On signing day in June a payment of \$200.00 will be necessary to register your child to be placed on the roster. You will be able to make this payment via credit card online or there will be several dates to pay by check or cash at the club.
- 2) You will have 2 options on the remainder of your payments (\$370.00):
  - a) You can pay your entire amount at one time and be done for the season or
  - b) You will be able to pay in 2 equal installments of \$185.00 on August 9 and October 4th.

The process for the spring season will be the same. The first part of your spring installment of \$200.00 is due on February 1st. The remaining amount of \$370.00 can be paid at one time or you can pay in two installments of \$185.00 on March 7, and April 18th.

Your uniform fee of \$205.00 is a separate fee. When you order your uniform you will need to put half of this amount as a down payment and when you pick up your uniform you will need to pay the balance.

We also have a confidential scholarship program available to promote participation for those with financial concerns. Please contact Jackie Fukartas ([leaplite@yahoo.com](mailto:leaplite@yahoo.com)) during tryouts to obtain the necessary forms.
